PROFESSIONAL EXPERIENCE

WEB DEVELOPER

Pediforte Coding Academy (March 2020 to September 2020)

I enrolled at Pediforte Coding Academy to study Web Development.

Pediforte Coding Academy (April 2021 to August 2021)

I enrolled again at Pediforte Coding Academy to study Web Development Advance (Angular).

MoonTradex.com (March 2021 to September 2021)

- I worked as a remote backend developer for moontradex.com .
- It is a crypto exchange platform where users can buy and sell their coins.
- The backend was designed in python (FLASK).
- Here is a link to the website <https://www.moontradex.com>

ANGULAR DEVELOPER

Pediforte Coding Academy (February 15th, 2023 to July 27th, 2023)

I interned at Pediforte Coding Academy as an Angular Developer transforming innovative ideas into functioning real world applications.

Milk Meets Honey (March 2022 to April 2023)

- I worked as a remote frontend developer for Milk Meets Honey.

- Technologies used: Angular, Firebase (Firebase Authentication for facebook, google and phone number authentication, Firebase Real Time Database to chatting feature) Paypal plugin and Paystack plugin for payment.
- Milk Meets Honey is a modern dating platform designed to connect millions of people together.
- Here is the developer link: <https://milk-meets-honey.web.app/>

Young Ancient Records (August 2023 to September 2023)

- I design a website for an upcoming record label: Young Ancient Records.
- Show casing their services and artistes and their music.
- Here is the developer link: <https://youngacientrecords.web.app/home>

Megadey (March 2023 to December 2023)

- I work as a remote frontend developer for Megadey
- Megadey is an ecommerce platform where both sellers and buyers come onboard to exchange goods and services.
- Some of technologies used here are Angular and Firebase.
- Here is the developer link: <https://megadey-95be8.web.app/>

PROFILE

I am a creative, diligent and enthusiastic web developer, who has developed a strong range of skills and a fast learning ability, using cutting-edge technologies to contribute meaningfully towards any organization and my personal goals.
